

EGEE-II

NA3 Activities

Ladislav Hluchý
Institute of Informatics, SAS
Dúbravská cesta 9, Bratislava
Slovakia

- **Application developer courses (2) and tutorials (4)**
- **Administrator courses (on demand)**
- T-Infrastructure (Gilda, P-Grade)
- **E-Learning development and maintenance (Information Web Portal)**
- Workshop (GCCP'2006) and talks

- **Application developer courses and tutorials**
 - ◆ **Grid architecture and EGEE infrastructure**
 - ◆ **Grid security framework**
 - ◆ **EGEE middleware (gLite, GT4)**
 - ◆ **Grid web portals (Genius, P-Grade)**
- **Administrator courses**
 - ◆ **Installation of EGEE middleware and software prerequisites**
- **Talks about Grid technologies and EGEE**

Development and maintenance of the II SAS site for hands-on training

- **Genius – GILDA training testbed**
- **P-Grade – GILDA, VOCE**

Information Web Portals (in Slovak language)

- **Relevant Grid computing information**
- **References to EGEE project**
- **Quickstart guides to introduce**
 - ◆ **how to get access to grid resources (personal certificate, virtual organization)**
 - ◆ **how to use web portals (Genius, P-Grade) to submit a job to Grid**

2nd International Workshop on Grid Computing for Complex problems (<http://conference.ui.sav.sk/gccp2006>)

- High Performance Distributed Computing
- Grid **and Cluster Computing**
- **Knowledge and Semantics in Grid and Cluster Computing**
- **EGEE infrastructure and its middleware**

Thank you for your
attention.
